2- Turn (Counterclockwise)

Fold (keeping the hole in sight)

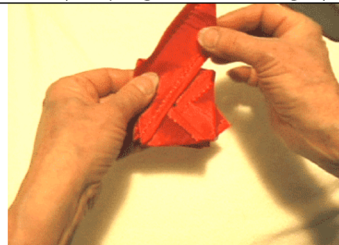

Pinch & Turn (hold it together)

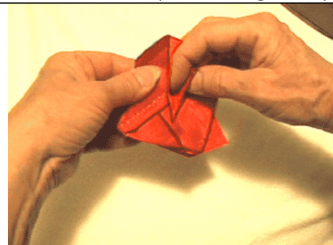

Continue to Fold...

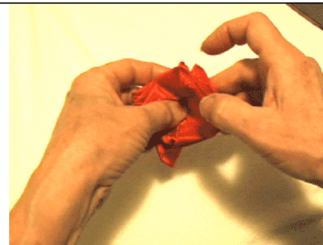

Pinch & Turn...

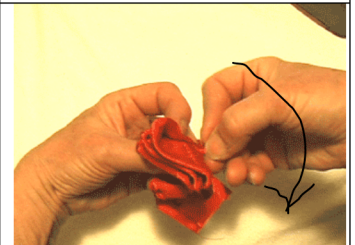

...Until you run out of ribbon.

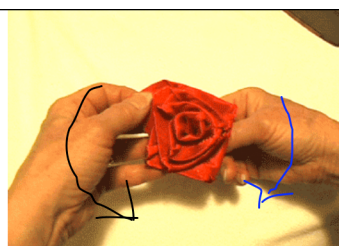

Then turn the last bit of ribbon...

pushing into the center hole ...

& pull through; twist that 'stem' clockwise with the right hand

while turning the outer top end of the ribbon counterclockwise fill it looks just right

Pinch the 'stem' and top ends tightly, taping together with a small piece of tape...

...attach to the top of a pen - first with cellophane tape...

then wrap **floral tape** from top to bottom, stretching and turning diagonally fill covered.
